

## JOIN US FOR ONLINE WORSHIP

As I hope you read in my email earlier this week, we have been asked to suspend in-person worship services, meetings and other gatherings until further notice in light of the need to slow the spread of coronavirus. Because of this, our worship service for Sunday, March 22 and 29<sup>th</sup>, 2020 will be online through our church's YouTube channel. Didn't know we had one? Absolutely we do!! Been there for weeks!! So here are some tips for worship via YouTube.

1. First, make sure that you have downloaded YouTube to your device that you will be viewing from. It is available on your Smartphone, computer/laptop, Smart TV, etc. or just click on this [link](#) . You should be on the **Woodridge UMC** page.
2. Join us *early* to make sure that you are properly logged in and have the volume set for your preferences. We will start music playing around 9:30 a.m.. Worship service starts at 10:00 am..
3. An order of worship is attached for you to follow along and participate. If you have printing challenges, there are a few copies in the black mailbox outside of the church office. Please feel free to pick one up.
4. If you have questions or problems, please contact [media@woodridgeumc.onmicrosoft.com](mailto:media@woodridgeumc.onmicrosoft.com). Full assistance will be available prior to 10:00 am on Sunday morning. After 10:00 am, assistance becomes limited. If you are not available at 10:00 am or cannot get the live streaming to work, a recording of the video will be posted to the Woodridge UMC YouTube page.
5. Email any prayer requests that you want mentioned during prayer time to: [PastorDanita@woodridgeumc.org](mailto:PastorDanita@woodridgeumc.org) *no later than 9:00 a.m.* on Sunday morning.
6. Please do not forget your financial contribution to the church!!!! You can mail it, drop it in the gold mail slot by the door on the east end of the building, or choose the e-giving option on the website.
7. Drop us an email and let us know you watched so that we can keep track of our attendance numbers. Please use [office@woodridgeumc.org](mailto:office@woodridgeumc.org) for that.

Finally, this is new and different for all of us. It is not the preferred way of our being in touch and especially for worship, but it is what we have to do for the safety of all. Please do not forget to check on one another as we should always do.
