Woodridge United Methodist Church

Photographs, Website and Video Permission

Periodically we take pictures and video recordings of the children and youth of Woodridge United Methodist Church during Sunday School classes, events, Wednesday Night Live, mission trips, worship, and other gatherings. We do this to record the activities they are participating in, to share the moment with you, the church, and the community. Pictures or videos may be used on our website, social media, newsletter and/or in our worship service. Woodridge United Methodist Church will not identify any child or youth by name on our website, social media, or newsletter without the specific consent of their parent or guardian.

Please select one:

- I give permission for my child to be photographed or video recorded for the above named purposes. I understand that this consent is valid for the period of time my child attends Woodridge United Methodist Church.
- I **do not** give permission for my child's photographs or video recordings to be used on the church website, in any publication, or in worship.

Please Note: You may revoke your consent at any time by sending a written request to the church office.
